

Harvest of the Month Questions

These questions are required for progress reporting for FFY 07. They are the same questions as were on the FFY 06 SAAR. In FFY 07 these questions will be asked on SurveyMonkey rather than on the SAAR. An email link will be sent to you when the survey is live. Please enter your responses on the online survey, do not send in a paper response.

Harvest of the Month is a comprehensive nutrition education intervention designed to give students, their parents and surrounding communities hands-on opportunities to explore, taste and learn about the importance of eating fruits and vegetables. Monthly materials are comprised of educator newsletters, parent newsletters in English and Spanish, and menu slicks. Posters are also used to promote the health benefits of fruits and vegetables.
